5. Children Of The Sun [20:24]	
6. Call Me [05:11]	

This double CD includes powerful live versions of many of the tracks from Magenta's first two CD's 'Revolutions' and 'Seven'. This is a totally different set to that available on the band's DVD 'The Gathering' released in 2006. Magenta have gained a reputation for their concerts around the world - 2003 saw the band play some great gigs including the first ever Progeny Festival at London's Astoria Theatre, Baja Prog in Mexico and headlining at the Spirit of 66 in Belgium. This double CD demonstrates why so many people love Magenta.
