	15. Cannablise Legalis [04:47]	BBC FRS Session 1983

Soaring violin and guitar weaving around delicately passionate female vocals, underpinned by driving rhythmic complexity, Solstice were an unlikely band to succeed in 1980s Britain. Yet audiences revelled in the band's performances at all the major festivals and sell-out tours, on which they made the legendary Marquee club their home. This remastered definitive edition release includes a bonus disc featuring all of their early demo recordings, as well as the BBC Friday Rock Show Session from 1983, released here for the very first time.
